## **IVECO GROUP**

Rodovia MG-238, S/N, Km 73,5, Bloco II, Sala IVG, Distrito Industrial Norte,  
Sete Lagoas/MG - ZIP CODE 35703-138

**CNPJ IVG:** 36.519.422/0001-15 e **CNPJ FPT:** 40.903.608/0004-93

---

IVECO GROUP, committed to complying with current tax regulations and the sustainable continuity of its operations, is closely following the changes introduced by the Brazilian Tax Reform (Complementary Law No. 214/25).

The implementation of the reform will be gradual starting in 2026, with full effectiveness expected in 2033. However, several preparatory actions are required as early as 2025, making alignment between the Iveco Group and its business partners essential.

The requirement to issue an Electronic Invoice (NF-e) came into effect on 10/06/2025 in the approval environment, and will become legally mandatory on 01/01/2026, when the phase of collecting statistical information in the production environment on the new taxes begins.

We are currently in the testing phase to start issuing NF-e, including the new IBS and CBS taxes, both in XML and DANFE formats. Therefore, we kindly request that, as soon as your XML is compliant with the new rules, to send some samples to IVECO/FPT ([testereforma@ivecogroup.com](mailto:testereforma@ivecogroup.com)), for testing in our system. This will allow us to validate our development and avoid any inconvenience in the receipt of goods and release of payments.

We count on your cooperation for a safe and efficient transition. Should you have any questions or require assistance, our team is available.

**FABIANNA OSORIO FARIA**
