Quick guide for first log in

- * Using other browsers could cause some issue with the functionalities

Click on “PROCEED” and follow the instruction below:

Microsoft Windows will ask to add another account.

You will be required to insert a specific email created with your Supplier Portal userID and the following extension **@fgextranet.ivecogroup.com**.

For example:

If your userID is **XA999999B**, the final email to type is: **XA999999B@fgextranet.ivecogroup.com**

Then, click on “NEXT”.

The image shows the Microsoft Sign in interface. At the top is the Microsoft logo. Below it is the text "Sign in". There is a text input field with the placeholder text "Email, phone, or Skype". Below the input field is a link that says "Can't access your account?". At the bottom of the main content area are two buttons: "Back" and "Next". Below the main content area is a section titled "Sign-in options" with a magnifying glass icon.

Now, enter your userID (for example **XA999999B**) and your password to access to the Supplier Portal. Then, click on “LOGIN”.

The image shows the "LOGIN DEALER WELCOME PORTAL" login screen. At the top is a black header with the text "LOGIN DEALER WELCOME PORTAL". Below the header is a paragraph of text: "A single point of access to the world of Iveco Partners. This gives quick access to tool and applications useful Iveco partners daily work". Below the text is a section titled "Insert your credentials". There are two input fields: "Username" and "Password". The "Password" field has a small icon to the right of it. Below the input fields is a large black button with the text "LOGIN". Below the button is a link that says "Forgot password?".

Now, enter your usual email address for the OTP code recovery.
Then, click on “CONFIRM”.
